

# ECO CHIC

Who knew saving the world could be so seductive?

## SUMMER ZEST

LAVENDER'S GREEN CORDIALS IN STRIKING BLUE GLASS BOTTLES ARE IDEAL FOR A LAZY, SUN-DRENCHED AFTERNOON. THEY'RE HAND-SQUEEZED FROM PESTICIDE-FREE LEMONS AND LIMES.

Lavender's Green Lemon Cordial, \$16.95; lavendergreen.co.nz.

Mezi gold bracelets \$109 (sold as set); 02-92819956/mezi.com.au.

## MIDAS TOUCH

Adopting an eco-safe production process, Mezi's new handmade jewellery collection minimises harmful chemical waste commonly associated with metal processing. The range also steers clear of allergenic metals such as lead, mercury, nickel and chrome, all of which can irritate your skin.

## SAVING THE EARTH ... ONE COFFEE AT A TIME

It may come as a surprise to learn your morning takeaway coffee cup is *not* recyclable. Each one goes to landfill. That's where KeepCup comes in—a reusable cup designed in standard café-coffee sizes (236ml, 354ml and 473ml). Made in Australia, it's microwave and dishwasher safe. Stylish, practical and sustainable.

KeepCup from \$7.80, keepcup.com.au.

## DESIGN FOR NATURE

Gondwana's Recycled Fleece is made from 30 per cent recycled materials. A portion of each sale goes towards Bush Heritage to help care for Australian natural habitats. Gondwana Recycled Fleece, \$80; 03-93713333/gondwanaoutdoor.com.au.

## TREE-FRIENDLY STATIONERY 3 OF THE BEST

Embrace your love of the written word with a green conscience. Whether it's a greeting card, diary or journal, environmentally responsible paper products are quirky, fun and guilt-free.

**1** These artfully designed greeting cards are printed using vegetable-based inks on Forest Stewardship Council Certified papers. Raven & Lamb greeting cards, \$6.95 each; 0414166404/ravenandlamb.com.au.
